Dear Mr. Berry:

The Division of Oil, Gas and Mining is in receipt of your letter dated March 12, 1983 regarding your gemstone lease (ML-26755) in Kane County, Utah.

Your cooperation in completing and returning the enclosed MR Form 4, Declaration of Exemption, is appreciated. Should you anticipate your mining activity to exceed the two acre limitation, please notify this office at least four-six months prior to any actual expansion to give the Division adequate time to process your mining and reclamation plan. I have also enclosed a copy of the Utah Mined Land Reclamation Act for your information. Should you have any questions, please don't hesitate to call.

Sincerely,
